

PhD program in Economics and Finance
University of Verona, Dept. of Economics

List of courses, academic year 2023/24

The PhD program offers two tracks: Economics (ECO) and Mathematics and Data Analytics for Finance (MDAF). Each track has dedicated courses, with some offered by the University of Padua (PhD in “Economics and Management”). In addition, our students are free to attend courses offered in the PhD programs in Economics of the Ca’ Foscari University of Venice (“Economics”), University of Padua (“Economics and Management”, “Mathematical Sciences”) and the Free University of Bozen (“Economics and Finance”).

For further details please contact the program coordinator, Prof. Alessandro Buccioli (alessandro.buccioli@univr.it).
