We are pleased to invite you to the **PhD Welcome Day**, the presentation event of the PhD Programme in Economics and Finance at the University of Verona.

During the event, we will introduce the new PhD candidates of the 41st Cycle, who will begin their academic journey in October.

This will be a unique opportunity to learn more about the programme, meet its key participants and students from other cycles, and hear the testimony of Dr. Giovanni Righetti, former PhD student, joining us from Lisbon.

Guest: Andrea Veronese, representing Fairmat.

The event is open to all interested participants.

We look forward to welcoming the new generation of researchers together!!
